This policy is applicable for Offices, Hotels, Shops, Industrial/Manufacturing risks, Utilities located outside the compound of Industrial/ Manufacturing risks, Storage risks outside the compound of Industrial/ Manufacturing risks and Tank farms/Gas holders outside the compounds of Industrial/ Manufacturing risks.

What amount am I entitled to receive if there is a covered loss?

The building, plant and machinery, stock and other assets are covered for the amount that will be required to reinstate/replace them and the basis for the same is mentioned above. This is the Sum Insured for each item or group of items. If any insured property is damaged (Partial Loss), We pay the amount You have spent on repairs. If any insured property is lost or destroyed completely (Total Loss), the maximum We pay is the Sum Insured for that item.

The amount of Sum Insured for each cover and item of property is shown in a document called the Policy Schedule. This is the maximum amount We will pay, in case the actual cost of repair, rebuilding or replacement is higher. This policy ends when We pay the whole Sum Insured of any cover or item insured.

You must commence the repairs, reinstatement or reconstruction within a reasonable time after the date of damage or destruction. You must complete the repairs or reinstatement within reasonable time, in any case not beyond 12 months from the date of damage or destruction or within such time as We may allow.

In all cases, We will not pay more than the relevant Sum Insured.

We will pay only to the extent required to bring the Property to a condition substantially the same as, but not superior, better or more extensive than its condition if it were new on the date it is damaged or destroyed.

You can reconstruct the new building on the same site, or another site. If You reconstruct the new building on another site, We will not pay You more than what We would pay to reconstruct on the same site.

Special feature: Underinsurance upto 15 % of Sum Insured or as specified in the Policy Schedule is waived. Underinsurance occurs if the Replacement or Reinstatement value on the date of loss of any Insured Property is more than the Sum Insured. It is usual in insurance covers that in such a case, the full claim is not paid. It is reduced in proportion to the difference. Under the **Bharat Sookshma Udyam Suraksha** Policy, difference upto 15% or as specified in the Policy Schedule is ignored, but beyond that underinsurance is applicable to the full extent.
